Hello and HAPPY NEW YEAR!!

Here are a few items to start out the new year.

A. Please welcome our new Administrator, Jeff Bowles!!

Visit our Web site for his bio: <http://www.cacvt.com/staff>

Note from Jeff:

Hello, my name is Jeff Bowles and I am the new Administrator for the CACVT! I am very excited about this opportunity to work with the current and potential members of the association. In my experience associations like the CACVT need strong support and participation from its members to achieve desired results. Denise and I work very hard to help our members rise to the top of the profession. Individual and group recognition for outstanding achievement is the most valuable asset for any profession. It helps get the value and respect that you deserve. It also leads to cutting edge ideas and opportunities that make your job exactly what you want it to be. I need your participation to help Colorado Certified Veterinary Technicians continue to rise to the top and be recognized. I will let you know exactly what you can do to help. Thank you for letting me represent such a noble profession and an outstanding group of professionals!

B. CACVT FOCUS CONFERENCE

Don't forget sign up for Focus Conference by **January 9, 2010** to get the early bird rate!

C. SURVEY

Thanks to everyone who has filled out the survey. Unfortunately, surveys are only good if a majority of individuals have added input.

PLEASE, if you have not already done so, take a moment to fill it out. Page 1 is critical to obtain quality information. Page 2 is optional and will assist CACVT in doing a better job for you. But if you don't have much time, then please just fill out page 1!!

The survey can be found on the home page of the Web site, or at <http://www.cacvt.com/2009survey>.

Also, you are welcome to pass it on to anyone (other than a DVM) in the veterinary healthcare field. They do not have to be CACVT members to fill it out.

Thank you very much for your participation and giving feedback to make CACVT better for you!
