

Nov 2009 E-nformation

Hello,
Here are a couple of new items for you!

WEB SITE

The CACVT Web Site has had a slight “face lift” so to speak. The biggest changes are in 2 areas.

1) The CACVT Directory

Located in the Members-Only area, the directory contains more information than ever. It’s also the place to see the number of CE credits that have been recorded for you. If there are any changes/corrections, please contact the CACVT office (you cannot directly make changes from the Web site).

2) NEW Resume Posting

If you are looking for a job, all CACVT members can now post their resume on the Web site! Employees can access the resumes and look for their next team member.

Both areas are found under the “job postings” tab on the left-hand column. To go directly to the page:
visit: <http://www.cacvt.com/node/add/resume-posting> to post your resume (you must be logged in with your user name and password).
visit: <http://www.cacvt.com/resume> to view all resumes.

SURVEY

Every 2 years CACVT conducts a survey – partly for demographic information and partly to assist the association by utilizing member feedback. The survey from 2007 is currently posted on the Web site either under the “FAQ” section or the “members only” section.

Surveys are only as good as the input. Please take a few moments to complete it. If you would like it physically mailed to you, please contact the CACVT office.

The survey can be found on the home page of the Web site, or at <http://www.cacvt.com/2009survey>.

Also, you are welcome to pass it on to anyone (other than a DVM) in the veterinary healthcare field. They do not have to be CACVT members to fill it out.

There is a prize involved! A random drawing will be held for all entries received by December 11, 2009. The winner receives a complimentary registration to the CACVT Focus Conference (topic=Renal; January 24, 2010 in Denver). This can be used by the winner, or given as a gift to another lucky attendee.

Thank you very much for your participation and giving feedback to make CACVT better for you!

Denise Mikita, MS, CVT
CACVT Executive Director
