III. Office Updates

Change is something we can always count on! Jeff Bowles is no longer with CACVT. Please be patient as we search for a new administrator. Please see the details at www.cacvt.com/AdminJob if you are interested, or to pass it along to others as well. Thank you.

IV. Did you receive your mail?

Occasionally the CACVT office has had some returned mail that, after contacting the member, have found out that it was send to the right address! So if you have submitted your certification information, but haven't received your new membership card in the mail, please contact the office so the quandary can be rectified. Please help us as well by submitting any changes as soon as possible.

If you need to change your name, we do not require any sort of documentation. Just let us know! Thank you for your consideration.

Thank you very much for your interest in the association. CACVT is your professional organization, about you and for you. Please consider volunteering at any level (visit www.cacvt.com/volunteer for details and opportunities). It's as simple as answering e-mails! Let's make our association better for everyone!

Happy Holidays!
